She requests Watts to prepare a precision attack on the building, and solicits the opinion of her British Army legal counsel.

Eye In The Sky by Alan Parsons Project with Lyrics

The film, directed by Gavin Hood based on a screenplay by Guy Hibbert, is about military personnel facing the legal, ethical and political dilemmas presented by drone warfare against those using terrorist tactics, and civilians who are endangered by it. A film about drone warfare makes one think there will be many battle scenes, a lot of soldiers, and much blood and gore. The entire movie is about her nagging to get permission to murder people, and trying to bend the rules to be allowed to murder people.

Eye in the Sky Reviews

The Alan Parsons Project- Eye in the Sky Album
Eye in the Sky 1982
Don't think sorry's easily said
Don't try turning tables instead
You've taken lots of chances before
But I'm not gonna give anymore
Don't ask me That's how it goes
Cause part of me knows what you're thinkin'
Don't say words you're gonna regret
Don't let the fire rush to your head
I've heard the accusation before
And I ain't gonna take any more
Believe me The sun in your eyes
Made some of the lies worth believing
Chorus: I am the eye in the sky
Looking at you I can read your mind
I am the maker of rules
Dealing with fools I can cheat you blind
And I don't need to see any more
To know that I can read your mind, I can read your mind
Don't leave false illusions behind
Don't cry cause I ain't changing my mind
So find another fool like before
Cause I ain't gonna live anymore believing
Some of

the lies while all of the signs are deceiving. Helen Mirren plays Colonel Powell, who after six years of tracking terrorist extremists, has finally cornered three of her most-wanted in one building in Kenya.
