The American occupation of the Philippines, 1898

At this late date, when the passions and controversies of that period have long since subsided, is it not perfectly clear that after he destroyed the Spanish fleet, Admiral Dewey not only dealt with the Filipinos, until the army came out, substantially as Admiral Sampson and General Shafter did with the Cubans, but also that he did all he properly could to save President McKinley from the one great blunder of our history, the taking of the Philippine Islands? These are to certify that our work would be Krother aged. An extended biographical account will be published later, from the pen of Dr.
