. These masterpieces are supplemented by further outstanding works from private collections, some of which will be presented in public for the first time in many decades.

Pablo Picasso: Cubism, Blue Period, Rose Period

This period's starting point is uncertain; it may have begun in Spain in the spring of 1901 or in Paris in the second half of the year. One artistic revolution followed another, in a rapid succession of changing styles and visual worlds. The dust jacket is in a clear mylar cover and has some minor losses and some splits.

Picasso's Blue Period

In addition, a number of his Rose Period works also feature children as his models.

The early Picasso. The Blue and Rose periods ★ HUMA3

The Rose Period was for Pablo Picasso an important time in his life and work as an artist. The works of the Blue and Rose periods have a universal appeal and poignancy.

The early Picasso. The Blue and Rose periods ★ HUMA3

The paintings of this period are accompanied by several ink drawings and a handful of sculptures. Jacob and Salmon were important to Picasso for their work as art critics and avant-garde leaders. The painting considered the first of his Blue Period, *Casagemas in His Coffin*, was completed later in 1901 when Picasso was sinking into a major depression.
