Presidential Power to the People

Instead, policymaking has been driven by a relatively cohesive class of bureaucrats, in place since the 1990s, with an ideological commitment to market-friendly policies.

bad for democracy : définition de bad for democracy et synonymes de bad for democracy (anglais)

So the sign of any risk factor for a low probability event demands attention if the potential outcome is costly enough.

How Has The Power Of The Presidency Changed Over Time

There was zinc, asbestos, and copper there, and so he declared it a national monument and as a way station on using executive power, until eventually Congress would take it as a national park. Representative Democracy: Principles and Genealogy University of Chicago Press, 2006.

Will Donald Trump Destroy the Presidency?

However, the Congress can reject the President 's initiatives if they have enough ratified refusal. In this way, the President can not be too powerful that he can do whatever he wants. In Article 2, it tells you what are the requirement for to become a President and what are the duties of the President.

Bad for Democracy

President Jackson became a kind of mythical repository, even after his death, for desires about political unity, not so much political representation. Weakened legislative oversight can enable executives to curb other constraints on their power, whether other government institutions—such as judiciaries and electoral commissions—or informal constraints, such as the press and civil society groups. He recalls times where the average human had to read a book to find information; however, now with a single click of mouse, we have access to a influx information.

Will Donald Trump Destroy the Presidency?

Wikis and time banks are both good conceptual models and tools for this project. But Trump has had a distinct effect.

5 Radical Solutions to Fix Our Busted Government

One Person, One Vote: How Voter Suppression is Destroying Our Democracy Bloomsbury Publishing, 2018.

Bad for Democracy

Sackfuls of uncounted ballots stuck in postal depots; his base crying fraud, groundlessly suggesting that the mail-in votes are forgeries: this is the context in which he reckons he could argue that the election was disputed and therefore there was no good reason for him to leave office.
