Migration & Settlement

Label German New River settlement, Virginia Title German New River settlement, Virginia Statement of responsibility by Rev.

A History of The Middle New River Settlements and Contiguous Territory, by David E. Johnston (1906).

A suitable companion to Milne's Signs, Wust's history of German settlement in Virginia outlines the key political and religious figures involved in the migration of Germans from Pennsylvania to the Virginia backcountry. .

German New River settlement, Virginia (1929 edition)

In addition, the Foundation publishes histories and genealogical books, a newsletter, offers educational programs at an Annual Historical Conference and Reunion and to the community, and offers group travel to Germany geared to the origin of the Germanna families.

Staff View: German New River settlement, Virginia

This early work on the cultural history of the Shenandoah details the migration of German settlers into the region via the Great Wagon Road from Philadelphia. The map also shows the westward route, towards the New and Holston Rivers, and the southward route into the Carolinas. Teste: James Edmiston, John Taylor, Patrick McCollom
