### Islamic and Christian Spain in the Early Middle Ages

As successive bands of Muslims over the centuries had crossed the Strait from Morocco into Spain, the kings of Castile recognized the strategic importance of securing Algeciras, Gibraltar, and Tarifa, the ports long used by the invaders. It was forbidden, however, for a Jew to rejoice with a Muslim on his holiday.

### Islamic And Christian Spain In The Early Middle Ages Medieval And Early Modern Iberian World PDF Book

While the patterns of crystallization, both social and cultural, conform to general frameworks devised by sociologists and anthropologists, the case of medieval Iberia is doubly interesting because of the constant interchange between the two societies during the period of crystallization. A common assertion among scholars is that the legal and actual position of Jews during the Middle Ages was much better in Muslim countries than in Christian Europe.

### Islam Spain and the history of technology

After merchants began using the new number system, their use then spread to the rest of Europe.
