CAB Direct

Reviews in Medical Virology, 1 2 , 123-123. No medical virologist, whether trained or in training, should fail to have a copy on their bookshelves. As before, the book provides a detailed account of the diagnosis and treatment of virus infections, with a stronger emphasis on clinical expertise and management.

CAB Direct

As before, the book provides a detailed account of the diagnosis and treatment of virus infections, with a stronger emphasis on clinical expertise and management. I suspect the book will be of more interest to virologists than to infectious disease specialists.
