Nancy Davis Lewis

The project goals were aligned with the SIDS DOCK objective to increase energy efficiency by at least 25%, and the Sustainable Energy for All SE4All

Filesize: 13.57 MB

objective of doubling the rate of improvement in energy efficiency.

Capacity Development

At the first Japan-CARICOM Summit Meeting in 2014, his country had announced a grant of 1. It faced important challenges to peace and security. Select Publications: Lewis, Nancy Davis.

Sustainable cities and human settlements

PORTIA SIMPSON MILLER, Prime Minister of Jamaica, said the international community had addressed many of development challenges faced by small island developing States at the Samoa Conference. He requested the Council to schedule a day each year dedicated to the consideration of the peace and security challenges facing small island developing States.

Gender

Three geographical regions have been identified for the location of SIDS, namely, the Caribbean, the Pacific and the Atlantic, Indian Ocean, Mediterranean and South China Sea AIMS. Ensuring the protection and sustainability of oceans was a vital international security issue and was inextricably linked in those States.

Gender

That way, the Council and Members States could prepare for the unavoidable security threats ahead. RAIMONDA MURMOKAITĖ Lithuania said climate change contributed to human insecurity and potentially to new conflicts.
