HOUSE OF REPRESENTATIVES COMMITTEE ON CHILD AND FAMILY SECURITY ANALYSIS	
BILL #: HB 95	
RELATING TO: Mental Health Hospitals	
SPONSORS: Representative(s) Harrington	
TIED BILLS:	
ORIGINATING COMMITTEES/COMMITTEES OF REFERENCE:	
(1) CHILD AND FAMILY SECURITY (YES) (YES) (S)	
(2) STATE ADMINISTRATION	
(3) FISCAL POLICY AND RESOURCES	
(4)	
(5)	
I. SUMMARY	
There are currently seven state mental health facilities. Three facilities are operated by the state primarily for out commitments (Florida State Hospital, Northeast Florida State Hospital, and G. Parson Wood Memorial Hospital). Two are operated by the state as forensic facilities (North Florida Evaluation and Treatment Center and South Florida Evaluation and Treatment Center). Two other facilities are privately operated (South Florida State Hospital and West Florida Community Care Center).	
This bill amends sections 394.453 and 394.457, F.S., to require the Department of Children and Families (DCF) to maintain and operate mental health facilities, including, but not limited to, the Florida State Hospital, Northeast Florida State Hospital and G. Parson Wood Memorial Hospital (GPMH) in designated locations.	
The closure of G. Parson Wood Memorial Hospital (GPMH) is included in the Governor's Recommended Budget along with \$25 million to increase community treatment capacity. The Department of Children and Families is planning to close GPMH over a period beginning in July 2001 and ending in April 2002. GPMH has 382 beds and serves approximately 800 patients annually. Its 579 employees make up 10.8% of the workforce in rural DeSoto County.	

Description: -

- Medina County (Ohio) -- Genealogy.

Committee on Labor and Public Welfare. Leather Binding on Spine and Corners with Golden leaf printing on spine. Any who wish to know if other efforts will obtain similar outcomes must understand the nature of the sea! I believe the real challenge we face as policy-makers is not to establish a preference for one setting over another but to adopt a policy which allocates resources appropriately along a continuum of services that the developmentally disabled need.

Authors: United States. Congress. Senate. Committee on Education and Labor. Subcommittee on Wartime Health and Education, author. / Copyright: Public domain / Titles: Wartime health and education: interim report from the Subcommittee on Wartime Health and Education to the Committee on Education and Labor pursuant to S. Res. 74; a resolution authorizing an investigation of the educational and physical fitness of the civilian population as related to national defense, January 1945

As this print on demand book is reprinted from a very old book, there could be some missing or flawed pages, but we always try to make the book as complete as possible. This is a very complicated issue and it is also, I have learned over the years, an emotionally charged issue with which to deal.

Public hearing before Subcommittee on Health Care Costs of the Senate Institutions, Health, and Welfare Committee (1980 edition)

Committee on Labor and Public Welfare. As of 1982, 80 percent of the clients living in public facilities were functioning within the severe and profound range of mental retardation, while 66 percent of the clients in the smaller facilities were functioning in the mild to moderate range of retardation.
