### Facts About the Canadian Prairie Provinces

You could see all the dolphins missing the bow by inches, maybe leading our ship not following us to the new land, I wondered what was waiting for us on the other side. By the mid-thirties, so many people were leaving their homesteads in the prairies that appeared that agriculture would not be a major industry in the future. Father, on the other hand, had relatives in Canada, who also wrote urging him to take advantage of the many opportunities waiting in Canada.

### SA Farmers Now Heading To Canada To Develop 'Prairie Provinces'

The sixth wave, beginning in the 1970s, drew especially upon peoples of the southern hemisphere. Germans from the United States settled in St.
