Spiritual death

Regardless of whether or not societies accept brain death, the biological reality of neomorts retaining many of the basic functions of life despite being legally defined as dead in the U. If this Solar System, in which we are, evaporates tomorrow morning, no one will even notice it in this Cosmos.

Meaning and Mortality Theme in The Death of Ivan Ilyich

Every day so many people die like that.

Extending Life Beyond Traditional Death

Death and that which is beyond it are not a secret that is hiding somewhere in heaven or hell — it is right here, right now.

Leviticus 24:17 And if a man takes the life of anyone else, he must surely be put to death.

A petty problem they have with someone next to them is far more important than their life. Ullah, Mujib, and Zhongjie Sun.
