Yet he reminds us that each step of the process was not inevitable—corrections could have been made as modernity unfolded. According to these books, nothing appears to survive the human body after death.

Does The Soul Exist? Evidence Says ‘Yes’

We have a responsibility in this deal, too.

Understanding the Present by Bryan Appleyard: 9780385420983

Man is just an evolved ape, created through blind forces, genetic mistakes, and the survival of the fittest. But then the universe must have begun with the first cell felt the earth.

Understanding The Present Science And The Soul Of Modern Man PDF Book

From Galileo to Darwin, from Copernicus to Oppenheimer, countless scientists have proclaimed a universe in which human beings are only an

accidental presence.

Understanding the Present: Science and the Soul of Modern Man by Bryan Appleyard, Paperback

Assimilation: The process of integrating outer objects and unconscious contents into consciousness. .

Literature and Science

Both sides agree that the modern project has enhanced human technological power and mastery over nature. The contention with modern secularism only arises with the materialist denial of God and the soul. As the modern outlook developed, man became the conqueror of nature, with his dignity, such as it is, being self-bestowed.
