Germantown / Memphis

I do think Skeptical Internist is being a bit unreasonable, short-tempered and verbally

abusive. Goldberg, DO, was among those calling for stronger language in the resolution.

Union Supply Direct

This is because that is what they SEE physicians do, and what they seek to imitate.

As NPs push for expanded practice rights, physicians push back

However, if we as a group do not start caring more for the patient instead of how many of them we can see, the nurses may just take over and we will not have anyone to blame but our self. Nurse practitioners have used this to their advantage. And 12 states and the District of Columbia permit NPs to independently practice and prescribe.

Concepts

I know because I am one of them. The Journal of the American Osteopathic Association.

The Civil War Archive Regimental Index

The DNP is absolutely a cheap knock-off for a medical diploma, under the guise of greater access to medical care. You cant tell me that the NPs with Masters degrees will provide inferior care than that of a DNP, at least you cant make that argument based on the posted DNP cirriculums.

The Civil War Archive Regimental Index

The Journal of the American Osteopathic Association. This training does not come close to the breath or depth that a physician is required to

obtain.

OOA

In contrast, the DNP can even be earned on-line in some cases. It might be confusing for a little bit, as it is with many changes. I make it crystal clear that I am a nurse practitioner for a number of reasons.
