We are a small rescue group that can really use your help in our mission to find a better life for these animals.

Carrying the Songs by Moya Cannon

Music is innate in nature and in the human body—the heart is a beating drum; the rhythms and songs inspired by the natural world are passed down through generations. Someone Like You from Jekyll and Hyde Although this has the same title as the famous Adele song, this musical theatre piece was written 21 years earlier by Frank Wildhorn and Leslie Bricusse.

Carrying the Songs by Moya Cannon

This was my first real introduction to Irish poetry and what a good recommendation it proved to be.

Musically, this is more complex than it initially sounds which has allowed us to really play around with the SATB harmonies and the standout lyric 'look to the future now' furthermore feels very fitting as we work to maintain positivity and hope for what's to come. Visual references take the form of circulating film imagery, shadow puppetry and drawing. In the installation, these stories resonate and overlap in a film and sound installation.
