**The EU's New 'Eastern Question':
Refugees, Gas, and Neo**

An estimated 13 out of 15 favoring a ban of face-covering veils in Western Europe. David Frum: You are promoting a new book, about Islam in Europe. In 1502, the whole Muslim community of part of Aragon bordered with Castile converted en masse to Christianity, even though the 1502 edict of conversion for Castilian Muslims did not apply to them.

Why are young Muslims leaving Islam

In addition, even Germany — the destination of more recent asylum seekers than any other European country — has deported some migrants, including to Afghanistan, and. The authors of the study add that these countries, except Poland, had in the preceding years suffered jihadist terror attacks or been at the centre of a refugee crisis. Europe has been very unwise to legalise abortion and allow itself to become weaker as its population ages.

'Muhammad' is the Future of Europe :: Gatestone Institute

As opposed to politicians and intellectuals, people perceive Islamic dress to not represent religious symbols but a repressive ideology in the form of which intends to extend its influence into family, society and politics. The Franks took over today's France and the Saxons conquered the southern parts of England.

The Middle Ages

It is time Europe stopped viewing immigrants as a threat to society and instead opened its eyes to the benefits and possibilities available through immigration reform, which could potentially result in advantageous gains for both Europeans and asylum seekers from the Middle East and North Africa. Germany is top destination for Muslim refugees; UK is leading destination for regular Muslim migrants Germany was the destination for an estimated 670,000 refugees between mid-2010 and mid-2016 — more than three times as many as the country with the next-largest number, Sweden 200,000.
