Regionalism, Regional Structures and Security Management in Central Asia

Further aims include developing the Russian icebreaker fleet, modernizing the air service and airport network, and establishing modern information and telecommunication infrastructure. Likewise, European NATO allies will also be able to respond quickly with airpower.

Russia's Strategy in the Black Sea: How NATO Can Up Its Game

On 14 August, the draft resolution was not adopted, failing to obtain nine votes. Therefore it is the responsibility of each nation to develop its institutional and societal resilience to counter such tactics.

Russia's Arctic Strategy: Military and Security (Part II)

It the consolidation of a single counter-terrorism coalition, a commitment to adhere to international law and the United Nations Charter, a universal and comprehensive security system for the Gulf area which respects the interests of all regional and other parties, military transparency, arms control, strengthening of a in the Middle East, and other measures. .

Russia Working on Updated Concept for Security in the Persian Gulf, Lavrov Says

The Burke Chair has developed a greatly expanded e-book version of its initial examination of the military dynamics of the Middle East and North Africa MENA region. Many are not well attuned to facing hybrid threats, and thus it is possible that Russia could exploit this weakness. Iran has emerged as a far more serious military threat in the Gulf.

How does Russia violate security in the Azov

If You Like This Article, Please Check Out More: This is an excellent article. The Russian Persian Gulf security concept drafted in 2019 proceeds from the inadmissibility of large-scaled armed confrontation in the strategic region, and calls for collective work to establish a consensus and compromise-based solutions to reduce tensions.

The Changing Military Dynamics of the MENA Region

As such, this early strategy concentrated much more on military issues than the documents that followed. Ultimately, it comes down to the perspective through which one chooses to perceive Russian Arctic policy.
