Saying Alhamdulillah in all situations!

But ever since the Muslims influence is ward off this Study, the brain has become the center of the Study.

Solve all your problems using Powerful Hamd E Illahi (Praises of Allah) « Simple Guide on Islamic Exorcism

Anas radi Allahu anhu narrated that asking for a firm and obedient heart was one of the constant supplications of the Prophet alayhi salaatu wa salaam ; and one narration from Umm Salamah radi Allahu anha states that this was the duaa he made the most.

The Supplication Series: The Forgotten Piece of Flesh

If anyone find it please let me know. It is the nature of hearts that they are constantly changing. We have even observed that normal muslims who are not affected by any magic or jinns may at times feel weak after reciting some powerful zikar or wazifa, in such cases the counts should be reduced, remember from hadith we get to know that when revelation or wahi used to be revealed on our Prophet SAW, he would shiver and sweat due to power of words of the Quran, mashaallah.

Du'as for removing difficulties and worries

Thus the materialistic side of man has been ever increasing.

Huge Collection Of Islamic Poetry

Help Us End 2020 with 1000 Supporters! The linguistic difference is that qallaba points more to constant moving and turning about, while sarrafa points to changing of the direction. May Allah Bless you all. Of those meanings are, to turn, to divert, to turn from another direction, to avert, and to change.
