Institute of Development and Education for Africa (IDEA)

The Centre for Economic Performance found no discernible impact on employment levels from the wage increases, while the found that employers had reduced their rate of hiring and employee hours employed, and found ways to cause current workers to be more productive especially service companies. The book also provides the reader some secretly conducted diplomatic ventures and investments of the Israeli Government as well as the unofficial sojourn of Israeli leaders in Ethiopia.

Home

Menelik has a private fortune estimated at no less than twenty- five million dollars. Major reasons for the lack of a more significant Italian corporate presence in Africa are the misinformation and biases that continue to color perceptions about the continent.

Hoover Fellows

Fikadey says an officer stopped him from crossing, then grabbed his bike and cell phone. That is, does food security contribute to economic growth or does economic growth result in food security; or is there a two-way causal relationship between economic growth and food security? And facing the Border Commission, at the outset, Ethiopia was dealing with colonial treaties of 1900 for the central sector , 1902 for the western sector , and 1908 for the eastern sector , all treaties that were long dead and also made null and void by Italy when it temporarily occupied Ethiopia from 1936 to 1941.

Minimum wage

These kind of violent incidents have been going on for the last three years, and the first victims of such kind of violence were the Tigrigna speakers, who were targeted in the Gondar and Oromia area and subsequently in different towns of the Amhara State, and as a result, thousands slightly

over 45,000 of Tigrawot Tigrigna-speaking Ethiopians were compelled to leave their homes, properties, and businesses behind and settle in Tigray Regional State. Despite having a favorable Gross Domestic Product GDP for more than fifteen years, Ethiopia is currently faced with exceptional challenging youth unemployment.

Home

Ethiopian Observer Editorial In his most recent article entitled Gratification and Gratitude for the Reemergence of Pan-Ethiopian Agenda, Dr. Robert Mugabe as Goodwill Ambassador after four days of heavy international pressure.

Minimum wage

Supporters of the basic-income idea argue that recipients of the basic income would have considerably more bargaining power when negotiating a wage with an employer, as there would be no risk of destitution for not taking the employment.
