Philippians 4:8 Finally, brothers, whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is lovely, whatever is admirable

We are here at the birth of an astounding career. This is a novel of special imaginings and it's quite wonderful.

The way this universe comes to be understood by the reader is mainly through the character's actions. The second visit was so different; both times we took long tours. I was lucky to visit the Winchester Mansion with Patty twice; the first visit I felt Sarah was thoroughly crazy but yet that mansion was awesome! The story was Kill-Box Road Trip, and I was immediately riveted by this young author's style, characters and dialogue.

Templeton has the ability to develop characters within your subconscious mind by dropping a fact here and a minor description there as the character dynamically moves through the story.
