## Who's Afraid of the Big Bad Book? by Lauren Child

I can totally multitask like a boss! To view it, Toni and Scott are saving their family legacy and in doing so it brings them together and they make a great connection with each other and balance each other out and by the last chapters they realise they are in love and will do anything to be with one-another. This is a novel truly worth reading and I thank Janie Marie because it moved me as I know it will with many others.

**Who s Afraid of the Big Bad Book by LUO LUN QIAO ER DE XIAO PING**

The pictures are a delight and the goldilocks as a bad girl who breaks into the three bears house and destroys everything is a hoot.
