## TSHA

In 1995, he was also part of the ensemble that garnered a as the 'Band of the Year'.

## Jon “Hot Boy” Jones dies at 33

When a member of the British royal family faces a breach of security, it is of immediate interest to the world. Shortly after midnight, discovered him under a sofa in the Queen's dressing room and he was arrested.

## TSHA

Sources say he was perfectly lucid about his deeds—his actions were not viewed as being malevolent, rather those of a slightly creepy oddball. This was followed the year after by Watch What You Say , although that label association soon finished. The queen even noted the frightening moment in her personal diary, with disbelief at how the intruder came so close to her bedrooms.

## The boy Jones

Singing was his greatest passion. Twice more he was allegedly found trying out the throne as well. He was sent to do duty in the Navy and consequently served on several Navy ships, including , , and.

## The boy Jones

By the early 1970s, Jones had regular work in Dallas backing many musicians, plus he was tutored further in his guitar playing by. . On October 28, 2014, the Galveston city council approved a section of 37th Street to be named after Louis Blues Boy Jones.

## TSHA

He was brought before Police Court on 14 December. He was buried in Lakeview Cemetery in Galveston. In another instance, he was caught stealing from the kitchen.

### **Jon “Hot Boy” Jones dies at 33**

Having been caught before he reached the palace, he was sent back to his ship. On the first occasion, he roamed rooms that were used by Princess Diana and he allegedly tried sitting on the throne for a bit.

### **Jones: Name Meaning, Popularity, and Similar Names**

Jones married Patricia Darden on April 26, 1977.
