Tunisia: In 2016, the Center for Research, Studies, Documentation and Information on Women 3,000 randomly selected women, aged 18 to 64, from 200 urban and rural geographic areas across the country. They do enjoy stopping at a juice bar or a kiosk for a sandwich and a glass of freshly-squeezed juice, but will stand around until all the food is consumed even if it's a food cart on the street in Ipanema! The subject of street children in Brazil entails so much suffering and paranoia for those who live this reality, it seems even more unjust to have a slim volume.
