

Transactions of the Eighth National Vacuum Symposium (American Vacuum Society), combined with the Second International Congress on Vacuum Science and Technology (International Organization for Vacuum Science and Technology)

Pergamon - US3316386A

Description: -

-Transactions of the Eighth National Vacuum Symposium (American Vacuum Society), combined with the Second International Congress on Vacuum Science and Technology (International Organization for Vacuum Science and Technology)

-Transactions of the Eighth National Vacuum Symposium (American Vacuum Society), combined with the Second International Congress on Vacuum Science and Technology (International Organization for Vacuum Science and Technology)

Notes: 201 contributions of which 7 are in French, and 10 in German. Vol. 1: 669p. - Vol. 2: 670-1356p. Previous symposium (B61-8961) published as National Symposium on Vacuum Technology. Pergamon 1961. Previous International Congress (B60-10551) published as International Congress on Vacuum techniques. Pergamon.

This edition was published in 1962
