It is set in 1800 Spain, but was written in the 1930s as Spain was threatened by facism. I am not going to be able to do this book justice.

Crisostomo Ibarra

The final scene of Don Giovanni with Kurt Moll in the role of the Commendatore Biographers and critics did not hesitate to point out that Don Giovanni was premiered five months after Mozart's father's death: Leopold Mozart died on May 28. Jacket later interrogates Richter at the police station and the player is given the option to strangle him or to spare him. Ibarra was later warned by Elias that he would be implicated in an impending revolt; alarmed, Ibarra disposed of any letters that could be used against him with Elias' help.
