Design/Decor: Loft book by Ines Heugel

This floor plan of the upper level of a Luxury European style home shows the loft at the top of a double-wide staircase. You may try to warm up your kitchen by adding some lights; play with colors.

Loft Space Ideas

Start by gathering framed pieces that look cohesive. Loft Hgtv Green Home Loft Hgtv Green Home 8. Loft Living Room Interior Design The main features of a loft style are large windows, a wooden floor, rough walls and a massive stylish sofa made from high-quality leather or thick textiles.

63 loft kitchen design & decor ideas: industrial, urban and modern style

High ceilings on the main floor of the loft means that your raised bedroom has much lower ceilings. Floats are perfect for lofts because they help you use the vertical space available, which is otherwise neglected. The first of which is to construct a small wall.

Loft Conversion Decorating Ideas

Headboard or not, the soft furnishings on the bed like accent pillows and throws add a decorative element and soften the space. So what are some of our favourite ideas? Another bedroom is capable to provide a minimum of three teenage children with comfortable beds, located in an interesting two-tier furniture complex, made deliberately of aged wood. How to Decorate a Loft Space With loft living comes high expectations, quite literally.
