Houghton Library 1840 Downloadable archival material : Arabic 1 v. It is commonly believed among Shī'a jurists that the verses of rulings are five hundred verses about one-thirteenth of the verses of the Qur'an. History According to what is mentioned in hadiths, referring to the Qur'an and deducing rulings from its verses began from the time of the Prophet s and the of the Qur'an; and it was generally a common practice among the companions of the Prophet s and Imams a.
