Significant Documents Collection

Though Churchill pressed for an American declaration of war against Germany, Roosevelt believed that Congress would reject any attempt to bring the United States into the war. Near the end of the war, Roosevelt's health began to fail

which have stripped religious displays from the public square when these opinions have been read in a building with many religious displays. The president campaigned in favor of a strong United Nations, so his victory symbolized support for the nation's future participation in the international community.
