Emeline Siale Ilolahia is the Executive Director of the Civil Society Forum of Tonga. Emeline became Executive Director of the Office of the Civil Society Forum CSFT of Tonga in 2007. There were 17,000 participants, with a further 30,000 activists attending a parallel Forum.

2020 Conferences

Strengthen or establish mechanisms at the national, regional, and international levels to assess the impact of development and environmental policies on women.

World Conference on Women, 1995

Over-length papers will be rejected without review. The advancement of women and the achievement of equality between women and men are a matter of human rights and a condition for social justice and should not be seen in isolation as a women's issue. Integrate gender concerns and perspectives in policies and programmes for sustainable development.

Home

In February 2015 she was appointed Principal Secretary for the Blue Economy Department in the Ministry of Finance, Trade and the Blue Economy. Promote women's economic rights and independence, including access to employment, appropriate working conditions and control over economic resources. The Platform for Action emphasizes that women share common concerns that can be addressed only by working together and in partnership with men towards the common goal of gender equality around the world.

Organisers

Subsequently, in November 1995, a selection of 200 works adorned the walls of the art gallery at the United States Department of Health and Human Services in Simultaneously, another group of artworks from the collection were exhibited at the United States Information Agency also in Washington D.
