### Career Personality & Aptitude Test

The fourth section — Check for Errors — has you compare a series of eight digit numbers to see if they are exactly alike or different in any way whatsoever. Question: Is this resource test useful for students as well as adults? Question: Do you have translations for the free career tests? This way, your answers will be optimized for your best performance on the test. Blue — People with blue Interests like job responsibilities and occupations that involve creative, humanistic, thoughtful, and quiet types of activities.

### TABE Professional Development

I like how everything is condensed in to easy chunks so that I can stop just about anywhere, put a sticky note in place, and pick right up when I next pick up the book. Correct Answer: Either Highly Agree or Agree Explanation: As a postal officer, it is vital that every parcel, letter, or package is sent to the right recipient, meaning you must be able to deliver them to the correct house or apartment unit no matter how confusing or large the area is. Remember, in most states, the NEDP will result in an actual diploma and not a high school equivalency diploma.

### Find Your State's High School Equivalency Exam

The Civil Service exam is a platform on which job applicants can demonstrate the skills required to be eligible for the civil servant position. They are divided between five to 10 sections, which are classified as either Information Gathering IG or Decision Making DM. They prefer to work where things happen quickly and results are seen immediately.

### Virtual Entry Assessment MH

Both the GED and NEDP are computer-based, so anyone who is intimidated by technology or has no idea how to use a computer might feel more at ease with the traditional test materials. Here, individuals can get comprehensive information about the GED, including test prep materials. The typical time to completion is between six and 12 months.
