## Broadband 2021 Legislation

Because such fees and taxes affect the amount ultimately received by the designated recipient, the Board proposed the disclosure of other fees and taxes to effectuate the purposes of the EFTA.

## Assessing the impact of U.S. copyright legislation (1978 edition)

Industry commenters argued that prescriptive formatting requirements conducive to paper disclosures may not easily apply to new methods of conducting remittance transfers, and that the proposed rule could make compliance difficult as new technologies arise. Requests for materials coming from regions other than the mid-Atlantic region are generally referred to the appropriate regional library, and the requester is advised to submit future requests to the appropriate regional library.

## Creating Solutions Together

There is also debate over whether a feasible ASCAP-type or clearinghouse system can be developed without legislation, and if so whether it would be desirable.

## Assessing the impact of U.S. copyright legislation (1978 edition)

In determining whether the copyright owner has been financially hurt by the photocopying practices of the involved Government agencies, the assumption of economic detriment cannot be based on general business commonsense or on argument that if there were no photocopying the public would necessarily buy the work; financial or economic detriment is a matter of proof. These commenters argued that the proposed definition is consistent with the language of the statute and the purpose of the statute's provisions. The Bureau did not receive comment regarding proposed

comment 31 a 2 -2, and it is finalized as proposed.

### **Williams & Wilkins Company v. The United States**

This bill authorizes the board of supervisors of a county to acquire, construct, improve, and maintain broadband infrastructure and operate broadband internet access service and any telecommunication services necessary to obtain federal or state support for the acquisition, construction, improvement, or maintenance of broadband infrastructure or operation of broadband internet access service.

### **Federal :: Electronic Fund Transfers (Regulation E)**

In addition, the bill requires the Secretary to establish a dairy donation program to facilitate the timely donation of certain dairy products and prevent and minimize food waste.

### **More Information on Fair Use**

Clean Air Act Section 307 d This rule is subject to section 307 d of the CAA. It is felt NLM should not run a copying service per se; NLM must operate as a library, and all photocopying done should be an extension of normal library operations. Covered Period: For loans for which forgiveness is provided after the date the bill is enacted, the bill allows a loan recipient to choose the end date of its PPP loan covered period, as long as the date is between 8 and 24 weeks of the date of loan origination.
