### Good communication with children: tips

Funny and charming, this book although currently out of print can make you appreciate children more often, and listening to them a great deal more. Allow your child to speak and listen carefully to their explanation; it will tell you a lot about their character.

### The Best Way for Adult Children and Parents to Communicate

If someone gave you a blank piece of paper, what would you do with it? What is your favorite part of school? What was something that made you laugh today? Some of these questions were inspired by the following links. Ask her: Can we try this for a few days? What is your favorite day of the week? Do you think you could go an entire day without talking? Educators can create opportunities for children to engage in conversation throughout the day.

### Conversations with Children! Questions that Spark Conversations and Deepen Understanding

How old were you when you learned to tie your shoes? What is something that you think kids understand, but adults do not? Who do you think has a healthy dating relationship with their boyfriend or girlfriend? You can freely license our resources under a Creative Commons Attribution-ShareAlike 4.

### Ideas to Spark Rich Conversations with Your Children!

For parents, starting and having conversations is such a basic, ingrained activity.
