Japanese Studies of Modern China Since 1953: A Bibliographical Guide to Historical and Social

Eventually, if all goes well, the state will be defeated from the bottom up and the inside out.

The role of the peasant in China's development plans

Disillusioned with state power for a variety of reasons both personal and intellectual, Ehrlich sought the legitimacy of the law in something other than the reigning corporatist-positivist state. All the participants are appreciated.

The role of the peasant in China's development plans

With: Honpō ni okeru mokuzai parupu kōgyō to sono genryō mokuzai no gensei. Chūgoku nōson kankō chōsa kankōkai, ed.
