With this feature, every work hour and expense you make is captured, all billing processes are automated, and accounting workflows are streamlined. You can even time your research session in Fastcase and have the activity recorded in Clio.

McGraw

LegalTrek is a legal case management software for mid-sized law firms or legal departments aiming to make their business grow and become profitable. May show signs of minor shelf wear and contain limited notes and highlighting.

## **McGraw**

Clio brings with it robust tools to manage cases, clients, data, documents, bills, calendars, time tracking, reporting, and accounting. The software comes with a very useful feature—the ability to determine and eliminate conflicts of interest as it lets you view how an individual is associated with any case. Hit a particularly tricky question? Practicing law is different from running your own law firm.
