### Cane's And Your Community

Older adults, especially those who have retired or lost a spouse, can find new meaning and direction in their lives by helping others.

### Volunteering and its Surprising Benefits

Citizens must be engaged and educated about what they should expect from their government during emergencies as well as what the government expects from them in the form of advance preparation and responsible action. The possibilities really are endless.

### Community Preparedness Toolkit

I have limited mobility—can I still volunteer? These training modules are designed to provide volunteers with a basic understanding of adult second language acquisition and the naturalization process, including the interview and test. By supporting those businesses instead of chains, you ensure that uniqueness is preserved as a part of your community.

### Cane's And Your Community

As a council meeting host, invite people from your social network to participate in a discussion about your community, pressing needs, and potential solutions. In recent years, a movement has begun.
