## Radha Krishna

The seventh is universal education. A new chapter in the life of the planet has been opened. It is the essence of divine love.

## What is Bhakti

Thus, it describes the true aim of human life, reconciles the arguments of materialism and spiritualism, details the theories of karm and gyan, describes the potentiality of bhakti and reveals the secret of God realization that happens through the Grace of a true Saint and also tells the virtues of such a Saint. With him he held that a life uncompromisingly sacrificed to the ideals is the life of the superman. If you are seriously exploring spirituality, then this is.
