The main underlying reason for such a multiapproach definition is the numerous meanings of communism. The Democratic People's Republic of Korea North Korea , as a case in point, exemplifies such a system.

Proletarian Revolution

This article was most recently revised and updated by , Assistant Editor. However, the large French Communist Party PCF , apart from a brief period, and a number of smaller parties remained opposed to Eurocommunism and stayed in accord with the CPSU until the end of the USSR. Whether or not the viability of that model ended with the situationists, it was not a term they usually favored for they rejected the notion of acting as a vanguard or artistic movement.
