## Evolution of Kinship and Gender

The concepts of fitness and kin selection are central tenets of evolutionary ecology, a field devoted to the study of how evolutionary processes influence social behavior. I thus neglect a variety of other powerful approaches to the subject, notably the work of psychologists and ethno-psychologists e.

## The dynamics of gender roles and cultural determinants of African women's desire to participate in modern politics

When the missionaries came, they gave their traditions to God. Most school teachers, as well, are now from Maisin villages.

## A Feminist Critique of Marriage

Or were the differences between how kinship was defined in different cultures so great as to render the comparative endeavour invalid? Dealing with Death Beginning with Birth: Women's Health and Childbirth on Misima Island, Papua New Guinea.

## A Feminist Critique of Marriage

Trichinosis in the Pacific Islands and adjacent area.

## Pig Husbandry in New Guinea: A Literature Review and Bibliography

A survey of the North-East Lowlands of the Gazelle Peninsula of East New Britain with particular reference to the potential and acceptability of new agroforestry projects.

## **Who are the custodians of Pacific ‘post**

On the whole, the essays engage broadly in current discussions of how we best understand indigenous cultural systems, the historic impacts of colonial and post-colonial agencies, and the moral and political agency of Melanesians themselves.

## **GRC**

In Sexually Transmitted Diseases in Asia and the Pacific, edited by Tim Brown et al.
