Henry James Books

He made only a modest living from his books, yet was often the house guest of the wealthy. I have only got seven teeth.

Brief biography of Henry James (1843)

He read books in French, German and Latin. I knew it was Belloc, probably shouting for bacon and beer; but even I had no notion of the form or guise under which he would present himself.

La humillación de los Northmore, Henry James (1843)

His most famous books of travel writing include most definitely on the brooding side. Made visits to England and Europe 1869-70, 1872-4. But his meditations were interrupted by hearing his name very distinctly pronounced by Mrs.

Henry James

And he desired more and more to make it a certainty that he was to have the privilege of a tete-a-tete with the young lady, who was still strolling along in front of them, softly vocalizing.

James, Henry (1843)

Giovanelli; but Winterbourne, at once annoyed and gratified, resolved that he would do no such thing. The sudden death of Fenimore Woolson in January 1894, and the speculations of suicide surrounding her death, were particularly painful for him.

Henry James Books

He thinks ever so much of Americans. Winterbourne noted, at first with surprise, that Daisy on these occasions was never embarrassed or annoyed by his own entrance; but he very presently began to feel that she had no more surprises for him; the unexpected in her behavior was the only thing to expect. James was nominated for the in 1911, 1912 and 1916.
