And by God, I do. Clarion, not expecting such an answer, was at a momentary loss for words as her cheeks gained a bit of color.

THE KILLING OF THE TINKERS

W- Was that fairy that came here.

Teaching Tink: The Mystery of the Queen, a tinkerbelle fanfic

The touch brings a small gasp from Tinker Bell, closing her eyes and turning her head to the left, pinning Clarion's hand between the pillow and her head.

Review: Well

At least two of the three just had a feeling like they just did not want to be there and were happy to just leave after about only 10 minutes of being there.
