### BBC Two

Through his inebriation, he considers his national flower, and, speaking aloud in a style close to the modernist 'stream-of-consciousness', muses on the fate of Scotland as nation, on the human condition, and through these, on his own concerns and fears.

### Another Epitaph on an Army of Mercenaries

If the Germans win they could not hold their gain for long, but if the French and British win it will be infinitely more difficult to get rid of them.

### About Hugh MacDiarmid

The 'Drunk Man' is a complex poem and many editions exist, the best of which is Kenneth Buthlay's 1987 edition which provides extensive commentary and notes, leading the reader through MacDiarmid's often opaque use of language. It is important that we continue to promote these adverts as our local businesses need as much support as possible during these challenging times. He knew he had done as much as he could.

### Alan Riach: Hugh MacDiarmid and the Brownsbank years

The cottage itself was their saviour. We know better than you do. Its roots lay in a semi-fascist 1930s racialised nationalism.

### Hugh MacDiarmid (Author of A Drunk Man Looks at the Thistle)

### Hugh MacDiarmid

And it was characteristically encouraging to read Joanna Cherry promptly correcting him gently but firmly in the same newspaper. He felt deeply

that Scottish life and culture was ill-served by its political position and, in 1928, was a founding member of the National Party of Scotland - today's SNP. In that journal, to which MacDiarmid and many others contributed, the political priority was a deliberate cultivation of a commitment to Scottish independence that would have absolutely nothing in common with European fascism, and in fact to oppose it, emphatically.

### **Scotland by Hugh MacDiarmid**

However, he was later expelled from the party because of his Marxist views. What do you want for the future? He left the school on 27 January 1911, following the theft of some books and postage stamps; his father died eight days later, on 3 February 1911.
