Collier's Photographic History of World War II (1946, Hardback)

People doubt the existence of the gas chambers, and if these people are challenged, their right to speak is defended.

Collier's Photographic History of World War II

No matter the gravity or intrinsic interest of its theme, a conference such as this can fall prey to ill-prepared or inarticulate participants, personality conflicts or political contentiousness, or distanced formality. At Dachau concentration camp, 30,000 prisoners were liberated by the 45th Infantry Division and 42nd Rainbow Infantry Division.

Collier's Photographic History of World War II

If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set. We did not try to explain.

Collier's photographic history of World War II (1985 edition)

The posthumous will of all the people in the concentration camps calls us to this vocation of the liberation of man. For of the 16,000 Jews who lived in my hometown before the Nazi onslaught, I found on my return home 11 surviving Jews, wandering around aimlessly, hoping to find some of their families alive. For instance, should those inclined to resistance escape to the forest to fight, or should they stay in the ghetto to protect their families and others more vulnerable? Tourtellot

Collier's photographic history of World War II (1985 edition)

I never believed that I would have to go off and fight again in 1948 to defend the right of the Jewish state to exist — which had been established not only by historical demand and mandate, but by international law — as a member of the volunteer group that fought from all the countries of the Diaspora alongside our Israeli comrades. In some cases, SS units burned alive slave laborers in their barracks or in warehouses. We must talk about the denigration of human personalities, how they tried to make people less than human.
