## Chang Hsueh

Characteristics of the theory Holism which focusing on the five Zang-organs is the reflection of the overall concept in theory of zang-xiang, it believes that the human body is an extremely complex organic whole, indivisible parts of the human body coordinate with each other, physiologically, interlink with each other in the metabolism and interaction in the pathological changes. Before parting ways, Liu Bang presented Zhang Liang with some gold and pearls, all of which Zhang gave to. He spent his entire family fortune and failed to give his deceased younger brother a proper funeral.

## Zang Xiang Theory

As a result, he spent over 50 years under house arrest, first in mainland China and then in Taiwan. Zhang Liang reminded Liu Bang that if he refused to approve Han Xin's request, Han might be discontented and declare independence from Liu, putting them in a dangerous situation. That is why TCM has developed such a unique system for physiology and pathology.
