Medicine as a business

So many bad financial decisions are made at the end of medical school and beginning of residency credit cards, homes, cars etc. Keep up the great work! As I read it, the memories came flooding back, and with Dr.

All the untold truths will be revealed, and then what to do about them will be analyzed. I loved knowing he was caring for so many, bringing life into the world, and sometimes helping the elderly simply grow old with dignity and vitality. But, you have to convince medical facilities of that so they can see how they might benefit.

Medicine as a business

Healthcare managers should be able to think on their feet and have strong communication skills.

Business of Medicine [2021]

The business side of this job comes into play by looking and finances and analytics. In fact, this was the only decade since the 1940s when US health spending did not increase faster than the cost of living.

Business of Medicine — Headmirror

Despite all this, these critical skills are rarely taught to medical students or residents. I am no longer a cog in the wheel.
