0321005279

هدف اصلی کتب آشنایی مخاطب با مفهوم پرسش گری و ایده پردازی در علوم سیاسی است که با مثال های متعدد از حیات فکر و اندیشه همراه شده است .

0321005279

Political Thinking stirs critical thought in students by concentrating on the questions of the political world rather than the answers. . I think we pay too much attention to the effects of politics and not enough to its causes, and that's precisely what makes this book so relevant.

Political Thinking: The Perennial Questions: Glenn E. Tinder: 9780673394842: perssongroup.materialsproject.org: Books

The only agenda in this book is to spur deeper and clearer thinking. Well-read students of political science may find it a bit trivial, but it is good to see all these themes and questions -together, in a condensed way in a single book A good introductory text for those interested in political theory.

Political Thinking: The Perennial Questions by Glenn Tinder

It is the single finest text I have ever found for a general theory course. The discussions that follow each question include some basic information on the ways that political thinkers and philosophers of the past have approached the question. This book alone will get you through most coffee-house or cocktail-party discussions of political philosophy, but it won't get you to the point of being able to write a good research paper.

Tinder provides by means of a thoughtful, open-minded series of broad question and answer segments perhaps the most accessible work to undergraduate students I have ever seen in Political Theory. This review is a response to an earlier review that claimed Tinder's book was anti-American and critical of conservatives. Others have tried this approach with less success.

Political Thinking: The Perennial Questions: Glenn E. Tinder: 9780673394842: perssongroup.materialsproject.org: Books

لأول مرّة تجبرني ترجمة ما على ترك كُتب. در پایان نویسنده با دیدی عمیق به مساله تاریخ و غایت آن می پردازد و پرداختن به سیاست را از ملزومت جدی ادامه زندگی

اجتماعی نویسنده در این کتلب، مخاطب را در برابر پرسش های اساسی قرار میدهد و ذهن او را با مسائل فلسفی همچون برابری انسان ها و بیگانگی یا یگانگی آنها و نیز ضرورت وجود قدرت و حکومت در جامعه و محدودیت های آن، به چالش می کشد. در این خلال نویسنده دکتربین های سیاسی مختلف را از آنارشیشم و لیبرالیسم گرفته تا عقاید لاک و هابز و روسو مطرح میکند و ایراد های وارد بر آنها را مورد بررسی قرار می دهد.

Political Thinking: The Perennial Questions (6th Edition): Tinder, Glenn E.: 9780673993892: perssongroup.materialsproject.org: Books

The book has been reissued with a new Foreword by Steven M. Delue of Miami University of Ohio.
