### Australian Financial Review

Angel authority Diana Cooper takes the listener on a guided meditation that allows believers to join Archangel Gabriel, the messenger angel who brings guidance.

### Transition to the Golden Age in 2032

It's a question we can answer, given the vast literature about her, beginning with her enchanting three volumes of memoirs, and including biographies of both her and her husband, Duff Cooper; his much-admired memoirs, as well as his uninhibited to say the least diaries; an ample collection of their mostly rapturous letters to each other; an ample collection of her correspondence with Waugh; the letters of her dearest friend, Conrad Russell; and the frank autobiography of her son, the historian John Julius Norwich. Victorian dukes were almost as esteemed as royalty, and the Manners family owned something like 65,000 acres of land, abundant coal mines and Belvoir pronounced Beaver Castle, one of the grandest of ducal residences. This website is designed to be a go-to for anybody who is aspiring to raise their vibration and assist with the changes occurring on planet Earth.

But the pieces in Sightings also seem to point to a half-hidden world where everything coheres. The apparent stability of their relationship suggests that she was as good a mother as she was a society figure, nurse, actress, wife, writer, hostess, ambassadress, farmer and perhaps most of all, friend. Lecture by Diana Cooper This lecture will be held as a live stream on April 8, 5pm. And indeed when they were finally married in 1919 — Duff having survived the war, having won the DSO for bravery under fire, and Diana having at last broken her mother's resistance — she was still a virgin. She had become a celebrity, her comings and goings avidly reported by the press — to her secret gratification.

## **NEWS**

Happily nestled in the Green Mountains of Vermont for more than 30 years, the company now has over 1,800 titles in print. If you ever have a chance to take a stroll with her through an urban landscape, do it. After his death, she wrote three volumes of memoirs which reveal much about early 20th-century upper-class life.
