### Impeachment of Andrew Johnson

According to some insiders, anything done to raise the association between Gore and Clinton would have produced a net loss of support—the impact of Clinton's personal negatives would outweigh the positive impact of his job performance on support for Gore. My position in the matter is that the case has not been proved.

### Newsday

The United States House of Representatives decided to impeach democrat and a sitting president Andrew. And now let us all take our place in history on the side of honor, and, oh, yes, let right be done.

### Donald Trump impeachment: President is first to be impeached twice

The House of Representatives impeached Johnson due to his open defiance on February 24. It is true that the Senate is unlikely to convict him. Further information: , and In 1994, filed a lawsuit accusing Clinton of when he was governor of Arkansas.

### Donald Trump impeachment: President is first to be impeached twice

It certainly is for me. And I hope that people want that kind of an elected representative.

### Yahoo is now a part of Verizon Media

March 2010 Tensions between the executive and legislative branches had been high since shortly after Johnson's ascension to the upon the assassination of. His acquittal came on a near party-line vote, reinforcing divisions at the end of a bitterly.

### Donald Trump impeachment: Senators sworn in for President's trial

The House agreed to the articles of impeachment on March 2, 1868. Meant to establish a coalition of voters who would support Johnson in the upcoming midterm congressional elections, the tour instead destroyed his reputation when reports of his undisciplined, vitriolic speeches and ill-

advised confrontations with hecklers swept the nation. Trump nonetheless fell woefully short of impeachment.
