Salesian Scholars Seminar and Selected Bibliographies

Kirkville, Missouri: Truman State University Press, 2010. We have far greater gifts than we are aware of, and we are being pushed to develop them at the very times when it seems our world is crashing down.

The most important dates that made Annecy history

Demonstrating his gallantry through daring feats of arms, the knight's faith, coupled with his marvelous courage, made him nearly invincible on the field of battle. Upon arrival in Lyon, de Sales chose to stay in the gardener's hut at the Visitandine monastery in that city. We must try to get the guidance from the Divine Mind as to what His intention is for the world and what part we can have in carrying out that intention.

Saint Francis de Sales

There is I know not what so extraordinary in what you say, that every word is of weight, every word strikes deep into the heart. Legacy Congregations In the 19th century, his vision for religious communities was revived.
