## Cambridge German

This will not be too difficult, as German is very similar to English in this way.

## How to Learn German: 14 Steps (with Pictures)

Try to read at progressively higher levels, so that your vocabulary is being challenged.

## Home

This is also a good way to learn some basic vocabulary. Read on for another quiz question. Advanced courses are available through your local colleges and universities, but it is also possible to take online courses from reputable sources, such as the Goethe Institute.

## BBC

The language supplied the with many loanwords, but, with the decline of the league, Low German declined as well.

ii

If you are young enough, it is even possible to work as an au pair or nanny.

## German Resources

German is widely studied as a foreign language and is one of the main cultural languages of the Western world. Try to study in Germany. The federal supreme court meets in Karlsruhe.
