With a new foreword by Carlos Eire and Ronald K. Author: Carol Hren Hoare Publisher: Oxford University Press on Demand ISBN: 9780195131758 Category: Psychology Page: 284 View: 217 Erik Erikson 1902-1994 was one of the most eminent and prolific psychologists of the 20th century. Too often Erikson takes a small and potential innocuous aspect of Luther's life and provides two pages of soaring and florid extrapolation as to an aspect of Luther's supposed psyche.

To this I shall quote Jung: there is no human deed so evil that nothing good will come out of it. Erikson New York: Norton, 1958. It made for a good joking reference among my friends though.

## Young Man Luther

In their bewilderment they could only explain such behavior as part of an over-all missionary scheme an explanation also supported by the white

people's method of letting their babies cry themselves blue in the face.

However, whatever the name, the history classes for juniors and seniors were taught by a man with a doctorate who believed in intellectual rigor for girls, and how. He suggested that before the rebellion can occur intensely, young people must first have believed in the thing they are rebelling against. Rittgers, this modern classic is ripe for rediscovery by a new generation of students and scholars.
