## International Symposium and Workshop on Safe Chemical Process Automation (1994 edition)

Proceedings of the International Symposium on Safety Science and Technology. The SPE has recently formed a process safety work group to help engineering, drilling and operations personnel to apply process safety to the upstream oil and gas business. Center for Chemical Process Safety.

## International Symposium and Workshop on Safe Chemical Process Automation (1994 edition)

A wide range of subjects relevant to the current needs of industry is covered.

## International Symposium and Workshop on Safe Chemical Process Automation : September 27

This book provides designers and operators of chemical process facilities with a general philosophy and approach to safe automation, including independent layers of safety. Rob Peeling will be presenting the webinar on Process Safety.
